Additional Procedures

It is very important that all pets be physically fit and healthy to ensure the safest surgical experience. ***All animals having no history with Blackman Animal Clinic within the last year will be given a complete physical examination prior to surgery at a cost of \$48.70.***

All cats in the hospital must be current on Rabies. It is strongly recommended that they be vaccinated for Distemper and Leukemia. We require proof if the cat was vaccinated elsewhere.

Blackman Animal Clinic will not be held responsible for diseases contracted by unvaccinated animals. Please indicate which vaccinations you would like us to give to your cat.

Rabies (\$31.35) Distemper (\$31.35) Leukemia (\$31.35)

We strongly recommend all cats be tested for Feline Leukemia Virus (FeLV) and Feline Immunodeficiency Virus (FIV) prior to surgery. **The cost of this test is \$60.85**

Please indicate if you want your cat tested for FeLV and FIV.

Yes No My cat has already been tested.

In the event that your pet is in need of life saving measures, up to and including CPR (Cardiopulmonary Resuscitation), do you authorize these procedures to be performed? Yes No

I would like a text message when my pet is in recovery. Yes No

To ensure a sterile surgical environment and our clinic remains flea free, all animals who have fleas will be treated at the owners expense.

BAC makes every effort to ensure a flea free environment. However we will not be held responsible if your pet contracts fleas during their stay. We STRONGLY recommend all animals be on a flea prevention program.

Owner Release (You must sign below in order for the procedures to be performed.)

I understand that I am encouraged to discuss all fees related to such care before services are rendered. I assume financial responsibility for the cost of all services rendered, and agree to provide payment on a cash, credit card or check basis at the time my pet is discharged. In the event of an open balance, I agree to pay a monthly billing and financing fee equal to 1.5% of the unpaid balance.

I understand that anesthesia involves some minimal risk to my pet and that Blackman Animal Clinic will not be held responsible for adverse reactions to anesthesia. I assume all responsibility.
